

Lectures and seminars (incomplete):

Virus infections of the central nervous system - Visna, a slow virus infection.

Symposium: Virus and the central nervous system. 65th Ordinary Meeting of the Society for General Microbiology and 4th Meeting of the North West European Microbiological Group. University of Bristol, England. 12. - 14. Sept. 1972.

Visna og aðrir hæggengir smitsjúkdómar í miðtaugakerfi. Hádegiserindi í Ríkisútvarpinu 16. des. 1973.

Studies on pathogenesis of visna. Seminar, National Institute of Neurological and Communicative Disorders and Stroke, National Institutes of Health, Bethesda, Maryland, U.S.A. May 11, 1978.

The pathogenesis of visna. Seminar. Pioneering Research Laboratory, Washington State University, Pullman, Washington, U.S.A. May 23 1978.

Studies on visna. Informal seminar. National Institute of Allergy and Infectious Diseases, Rocky Mountain Laboratory, Hamilton, Montana, U.S.A. May 25, 1978.

Rannsóknir á visnu, hæggengum veirusjúkdómi. Vísindafélag Íslendinga, Reykjavík, 22. nóv, 1978.

Studies on visna. Nordic Virus Group. Meeting in Akureyri, Iceland, June 27. - 30 1979.

Maedi - visna research at Keldur. Seminars at the Moredun Institute, Edinburgh, Scotland and at the Animal Virus Research Institute, Pirbright, England in October 1979.

Research on maedi and visna at Keldur. Progress reports. International meetings on ovine lentiviral research in Uppsala, Sweden 1979, in Tübingen , Germany 1980 and in Kehl, Germany 1981.

Slow virus diseases of sheep: visna, maedi, pulmonary adenomatosis and scrapie. Seminar. Vsésoujuznogo Instituta Eksperimentalnoi Veterinariii, Moscow, June 1981.

Visna virus. NLV course. Infections of the Immune System. Dept. of Infectious Diseases, Karolinska Institutet, Roslagstulls Hospital, Stockholm. Jan. 19. - 23. 1987.

Visna virus infection as a model for AIDS. NLV course. Infections of the Immune system. Karolinska Institutet, Dept. of Infectious Diseases, Roslagstull Hospital, Stockholm. Jan. 19. - 23. 1987.

Retroviral Infections - Visna - Maedi, Historical Aspects. First Hellenic - British - Scandinavian Meeting on Antimicrobial Chemotherapy and Infectious Diseases. Reykjavík, July 25.-30. 1988.

The immune response in retroviral infections of the central nervous system. The Icelandic Contribution to Neurovirology. In commemoration of Dr. Björn Sigurdsson. Satellite course to the 28th Scandinavian Congress of Neurology. Reykjavík. June 6th 1990.

Vaccine experiments with visna. CEC workshop. Ruminant Lentiviruses - Relevance for Pathogenesis and Immunity in AIDS. Brüssel, March 18. - 20. 1991.

Visna. Informal seminar. INSERM, Unité 372, Pathogénie des Infections á Lentivirus, Campus de Luminy, Marseille. Júní 1994.

MVV and HIV. A comparative overview. 5th Argentinian Congress of Virology. Tandil, Argentina. April 24.-27. 1996. Invited lecture.
